TUTORIAL SYSTEM

The Tutorial system at the College is an integral part of the care and support we provide for our pupils. Tutors meet with their tutees at least once a week. At least once a fortnight, they will have a one-to-one meeting with each tutee. The Tutor's responsibilities involve many aspects including:

- discussion with tutees and challenging them on their academic progress;
- giving tutees careers guidance including advice about subject choices;
- taking an interest in and checking their studies;
- encouraging their tutees to involve themselves in a range of co-curricular activities and monitoring the balance between academic and co-curricular commitments;
- building up a trustful, concerned relationship with their tutees;
- generally monitoring all aspects of their tutee's development;
- liaising with the relevant Pastoral Head over their tutees' well-being and progress;
- liaising with parents and writing reports.

WEEKEND ACTIVITIES

Activities are arranged each weekend for boarding pupils. These activities are either 'in-house' or extended activities outside the College.

The type of activity depends very much on the year group, but we aim to provide a balanced mix of cultural, social and sports' events. We also encourage pupils to put forward their own suggestions for both 'in-house' and extended activities. For instance, Grammar will have several overnight CCF activities as well as more social events such as visiting the Trafford Centre, visiting the coast, go-karting etc.

Although we encourage pupils to get actively involved, organised activities are not compulsory until a pupil has actually committed himself/herself. This helps to reduce the possibility of last minute withdrawals threatening the feasibility of an event. It is important that a sufficient number of pupils take advantage of what is available.

| Monday | 10.30am – 6.00pm |
